PROFESSIONAL EXPERIENCE

African School of Economics, Arconville, Bénin

Oct 2023 – Sept 2024

- Led a small team to design and execute engagement campaigns, coordinating cross-functional stakeholders under deadline pressure
- Partnered with the Student Council to surface concerns and channel feedback into administrative initiatives — direct client-facing communication and problem-solving

AUDIREX Bénin, Cotonou, Bénin

Apr – Jun 2022

- Maintained organized financial records and performed bank reconciliations, supporting data integrity across client engagements
- Assisted senior auditors with documentation and analytical explanations for legal audit missions — early exposure to financial control and diligence

Cabinet Africa Innovation Consulting, Cotonou, Bénin

Aug – Sept 2021

- Supported consulting engagements at a West African advisory firm, contributing to research and client deliverables

Barra, Cotonou, Bénin

Jan 2026 – Present

- Managed multiple concurrent client briefs against tight deadlines, translating requirements into precise, brand-aligned deliverables

A'space, Akassato, Bénin

Jan 2023 – Present

- Founded and operate a consumer lifestyle brand end-to-end, owning financial planning, supplier sourcing, and customer acquisition as a solo founder scaling to a small team
- Direct experience with budgeting, cash management, and decision-making under commercial uncertainty

LEADERSHIP & ACTIVITIES

iSheero — AI Hackathon & Africa Tech Up Tour Bootcamp, Cotonou, Bénin

May – Sept 2024

- Co-built a generative AI chatbot and a machine-learning-based facial-recognition solution across two competitive team challenges, pitching to panels of investors under tight deadlines
